Term 2 – 4<sup>th</sup> July 2024 – Newsletter 10

*Welcome to this week's newsletter. A warm welcome to our new students and families, we hope you enjoy your time at our school.*

## MATARIKI

What a fantastic way to celebrate Matariki with our very first breakfast! Ka mou te wehi!  
It was great to see so many students and whanau attend our event last week. Matariki brings people together to remember those that have passed, to celebrate now, feasting and to plant for the new year. Thank you for the overwhelming support for our students special day. We received at least 40 cans of spaghetti and 30 cans of Baked beans towards the breakfast. Other donations included fruit boxes from the Tupou-Tawhai whanau, trays of breakfast berry muffins from the Rogers whanau, donations from the the Latoa-Levi whanau and the Webster whanau. Special thanks to Andrena and Fred Nilsen-Pene for cooking breakfast for us and to our parent helpers who helped with food prep and serving. It was a beautiful morning that we hope to continue next year.

## Mid-Year Reports

You will have received your Mid-Year Reports today. The Mid-Year Report gives parents and whanau an indication of student learning and achievement progress at this time of the year. Included in the report is a notice to parents that explains what the report means. Please read through the report with your children and celebrate their progress. It is great to see the progress our children have made so far. Thank you for supporting your children in their learning, by getting them to school every day and helping them at home.

We wish you and your whanau a safe and fun holiday and look forward to seeing you in Term 3.

Noho ora mai,

*Mrs Latoa-Levi*
